Our heritage of the V-series
made active

VERMEIREN
we care for you

LIGHTNESS: FROM 11,9 KG

Through our efforts, we have successfully crafted an exceptionally lightweight model, weighing in at an impressive 11.9 kg. This remarkable outcome showcases our commitment to innovation and delivering a wheelchair that not only looks dynamic but also offers enhanced mobility and ease of use.

V500 ACTIVE

Introducing the **V500 Active wheelchair**, built upon the successful concept of the V500 family. This cutting-edge model brings a plethora of options and accessories, catering to diverse needs, including the most advanced requirements.

Designed for ultimate user personalisation, the V500 Active offers high configurability, ensuring a perfect fit for every individual. Embracing an active and modern aesthetic, it appeals to those who seek a stylish and dynamic appearance.

Experience the ideal fusion of comfort and adaptability found in a standard wheelchair, seamlessly combined with the sleekness and agility of an active folding chair. The V500 Active strikes the perfect balance, offering an unparalleled mobility solution that empowers users in their daily activities.
