

V300 XL

Maximised duties

The V300 XL is the top model in the V series.
To reduce the overall weight and ensure
easy transport, the V300 XL is made of lightweight aluminum.

VERMEIREN
we care for you

Heavy duty wheelchair

The **V300 XL** offers many technical adjustment options and can thus be individually adapted to the user. With a maximum user weight of 170 kg, the V300 XL is one of our lightest wheelchairs for people with a higher body weight as it only weighs 21 kg.

Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.

Quality guaranteed

Regarding quality, the **V300 XL** complies with the highest norms, laid down by certified test institutes in most European countries.
